Products as Vibrant as Our People

At Jumbo Brands, we're proud to produce quality products that reflect the diversity and vibrancy of the people of South Africa. As one of our country's largest FMCG companies, we make it our daily mission to truly understand Mzansi trends, tastes and needs.

Our relentless pursuit of perfection, combined with our commitment to excellence, motivates us in our quest to create the best quality-at-price-point consumer products in our country.

Perhaps most importantly, we strive to keep offering our fellow South Africans quality products that not only delight but also consistently surpass their expectations for value.

From indulgent hot drinks and frozen treats to snacks, refreshing cold drinks, and household essentials, our product portfolio is colourful and diverse. However, what all our products share in common is that each has been designed to enrich everyday life and add value to our customers' lives.

Jumbo Brands. Taste Better Living

Founded in 1985, Jumbo Brands offers South Africans a diverse selection of quality consumer goods. Our product range includes squashes, cordials, frozen treats, juice concentrates, powdered instant beverages, condiments, crisps and snacks.

We are also known for our excellent contract packing services, supplying many of South Africa's top retail companies with house-brand products.

Our clients include Pick n Pay, Shoprite Checkers, Spar, Makro, and numerous independent South African wholesalers and retailers.
